### **GFC - GREEK FOOD CORRIDORS**

**Relative:** *Next Generation implementation of an e-Auction infrastructure in Greece for Fruit & Veg. and Olive Oil and sync with a Commodity Exchange market for Futures contracts based on Fiat & cryptocurrency as well.*

Following our meetings for the development and operation of an Electronic Auction for Agricultural commodities and its linked through a network of regionally-spread certified Agricultural Cooperatives for the sale of fruits & vegetables and olive oil, we would like to participate in the project as a sub-regional Market and distribution center - Regional Master Auction - with the underlying commodity of Olive Oil for the Region of Peloponnese, Argos.

Therefore, the company "FAKLARIS S.A." intends to cooperate with the implementing body and executor of the project GFC E-AUCTIONS (Greek Food Corridors), participating with its infrastructure and services and offering a wide range of high quality olive oil for sale via the new electronic infrastructure - GFC e-Auction.

Factory capacity: 200 tns/day

The president & Chairman of "FAKLARIS S.A."
